3 The D.C Kolar does not definitely state if this amount of Rs 200/- is to be paid out of the funds of the K.G.F Sanitary Board or from out of State funds. From the terms of the Communication on the subject, it is to be understood that the special imprest has to be paid out of State funds, subject to [illegible] in the usual course

4 It may also be stated that if the realization from the entertainments tax would finally be credited to the K.S. & Family Board there would be no objection to the interest being paid out of the funds of that local body. But in this case the opinion of the K.S. & Family Board is necessary, as the money of that body would be locked up to that extent and certain safeguards would also be necessary before the money can be allowed to be handled by the Board concerned

5 Orders of the D.C. may be asked to report definitely in the matter

7 The best thing would be, I think, if the local bodies to make their own arrangements & assume that no Govt. will be necessary if the Board gives an interest bearing bond and repays

Office that the present impress of the Kg & Sanitary Bds office is Rs 35/- which is with the Cashier. Based on the analogy of the rules relating to impress in respect of Distt Boards & municipal cmmrs (which are applicable to the Kg & Sanitary Bds in the absence of special rules for this local body) the Board may raise the present impress suitably to enable the Head clerk in may not also entrusted with the sale of entertainment tax stamps to purchase them. The Board itself may fix the cash security to be taken in the case & they view the amount of such as necessary and the D.C will if approved, be informed accordingly.
